September 25-26
All Day
The Ohio Union
- **Arkema Info Session**
Thursday, September 27
5:30-6:30 pm
CBEC 110/120

35 Junior and Senior Chemical Engineering students were given the opportunity to participate in a Process Safety Boot Camp at OSU the weekend after classes started for fall semester. The Boot Camp was sponsored by the AIChE foundation and the Founders' Circle Company Sponsors of the Undergraduate Process Safety Learning Initiative. Thank you to our instructors Don Abrahamson and David Hill, everyone who had a hand in helping the weekend run smoothly, and to all the participants!

STUDENT INVOLVEMENT FAIR

AICHE started the year out strong by heading a table at the student involvement fair! Several students were able to stop by, receive more information about the AICHE OSU chapter and become active on the organization's membership list. There was a particularly high turnout among freshmen and transfer students. Pictured are Junior Class Representative Luke Morrical (right) and Internal Vice President Mike Petrecca (left) explaining the organization to two very eager students!

FALL KICKOFF

AICHE was delighted to welcome one of its biggest crowds ever to this semester's kickoff event! With membership being at an all-time high, students gathered to learn about the organization's goals for the semester, sign up for various committees, and enjoy Adriatico's pizza. Be on the lookout for many more great events this semester and thank you to everyone who made it out!

Congratulations to this year's executive board! Pictured from left to right: Pete Thieroff, Alex Krumel, Leah Soppi, Thomas Menker, Matthew Greenwaldt, Rebecca Dunne, Yara Mohamad, Mike Petrecca, Luke Morrical, Stiphany Tieu, Jessica Srail, Bryce Bridges, Calli Krebs, Julie Gemmel, Eman Jallaq, Taylor Cochran, and Spencer Krebs.

Know an outstanding ChemE student? Nominate them for a student spotlight! Email aicheohiostate@gmail.com and tell us why they deserve to be recognized!
