American Institute of Chemical Engineers  
**Networking Night**

**Date:** Monday, January 29th from 5:30 - 8:30pm (Night before SWE Career Fair)  
**Location:** Scott Lab E100  
**Cost:** \$250 registration fee

**Attendees:** Open to chemical engineers and all other engineering majors  
**Registration Deadline:** January 15<sup>th</sup>, 2018

Great opportunity to recruit Ohio State engineers with face-to-face interactions before the busy career fair!

*If interested in reserving a spot, please contact [menker.8@osu.edu](mailto:menker.8@osu.edu)*

AICHe is reaching out to invite all recruiting teams and interested students to the 2018 AICHe Networking Night! The event will take place the night before the SWE Career Fair on Monday, January 29th from 5:30pm - 8:30pm. Additional information is provided on the flyer to the left.

AICHe is a globally recognized organization connecting engineering students across the world, and we strive to give Ohio State engineers access to the top companies in our field. AICHe has 350 general members and we plan to heavily market the event to our members as well as the rest of the chemical engineering student body. Additionally, AICHe will market the networking night through Engineering Career Services so other engineering majors will be attending as well!

If you are interested in reserving a spot for the AICHe Networking Night as a professional contact, volunteering as a student or have any questions, please reach out for more details!
