MARCH 2019

\$3500

**RAISED FOR THE TOPS
PROGRAM**

During our first active semester as a newly established student organization at Ohio State, Bucks for TOPS raised **\$3500** with just one event—our 5K Run and 1 Mile Walk!

BECAUSE IT WAS OUR FIRST FUNDRAISING EVENT, WE HAD NO IDEA WHAT TO EXPECT—BUT FUNDRAISING ENOUGH FOR 2-3 TOPS STUDENTS SCHOLARSHIP IS DEFINILTEY A SUCCESS!

teamwork

Thanks to our exec team and other dedicated members, we were able to organize this event!

**DISABILITY
INCLUSION AND
AWARENESS**

Next academic year, besides our primary goal of fundraising for the TOPS program, we want to focus more on

Fall 2019

Recruitment

Bucks for TOPS would like to recruit more general members that are dedicated to attending our designated meetings and participating in our events. We would like to form 3 established committees—a marketing committee, a programming committee, and a public outreach committee.

Internal Fundraising

In order to plan a large-scale fundraising event, our organization needs to fundraise for internal programming/operating funds.

Here are some ideas:

more restaurant nights (Chipotle, Cane's, Blaze Pizza, etc.)
hot chocolate fall game-day sale

Social Events

campus scavenger hunt (with teams)
trivia night
T-shirt decor
Accessible Expression art gallery visit

These social events will take more planning+resources to prep, and we can coordinate with the TOPS staff to add our events to the social calendar for students!

Spring 2020

Large-scale fundraising event ideas

Dance competition

Wipeout or Battleship at RPAC

March Madness Game Night and bracket contest
